

Le Mans 07 Questionnaire

This questionnaire is just to get as many details from you as possible without starting thousands of forum threads! ☺

I have tried to make things as modular as possible so you can choose to do something different if you wish (travel on different days or supply your own food). I have also tried to give an idea of how much each item with cost however this is impossible to calculate exactly until I know exactly who is doing what! As such these are guide prices only, when I get all the forms back I'll work out each persons balance.

Please try and be as specific as possible with your answers, there is a comments area in each section for anything you think I have missed.

Finally, **PLEASE** write clearly so that I can read your writing!!! ☺

Due to me being very slow this year can you please get this back to me ASAP.

T-shirts:

The race rules state racers must all wear the same T-shirt so you must choose at least one T-shirt. We will order these all together and they will be personalised with your name on. Prices vary however we will average it all out to come up with a general price per T-shirt which will be approx. £17 each.

You must order at least one T-shirt, I would recommend two as one T-shirt will not dry out between shifts and will be rather smelly after 24 hours!

All sizes are in inches, Width measurements are for the body of the T-shirt.

Holiday Insurance:

We can get a bulk discount on travel insurance for all of us on the trip however this is a waste if you already have your own (yearly cover etc.). If you opt to get this it will cost approximately £6.50.

Do you need Travel insurance? Yes / No

General Travel:

The plan is to drive down to Le Mans on the Friday Morning and return on the Monday night. The Ferry will probably be Portsmouth to Caen although I will be looking for the cheapest.

You will probably need to take Friday and Monday off work. If you can't or don't want to travel with us then let me know your details. We can probably arrange to pick you up from Le Mans train station etc. Please try and be at the track for the race (4pm Saturday to 4pm Sunday).

The price to travel with us can vary on quite a few things such as ferry prices, the number of drivers and how many we can fit in each car. The price should be somewhere between £90 and £140.

To Le Mans: I will come with you / I will make my own way

Coming home: I will come with you / I will make my own way

Is there anyone you wish to travel with i.e. partner/friend?

Driving:

We can't go if no one drives so we are looking for people who are prepared to drive to Le Mans and back as part of the ferry convoy. If you can give another person a lift then you will be given £60 to cover your fuel and use of your car.

- Please note you will need the following:
- Car Insurance needs to cover France and possibly green card
- Warning Triangle (French law)
- Spare bulbs (French law)
- GB sticker (French law)

Would you be prepared to drive to Le Mans? Yes / No / Only if I have to

If so how many people are you able to fit in your car (Remember we also have camping gear/skates and clothes etc)?

Is your car more than 5m long or 1.83m high? Yes / No

Please give details if you car has extras such as a roof rack, bike carrier etc.

Camping:

The first two nights will be spent in the Le Mans campsite at a cost of £3 and requires you to bring your own tent. If you do not stay at the campsite it is your own responsibility to get to and from the track.

Will you be joining us at the campsite? Yes / No

We will do a group shopping trip for all the common foods (bread, butter, cereal, fruit, lots of pasta, etc.), it's cheaper if we all club in and this will cost approx £15 each. Usually on the Friday night we have a BBQ and on the Saturday night is pasta to fuel the body! If you do not join in on the feed you will have to bring/supply your own and no nicking our ketchup. 😊

Do you want to be included in the groups food? Yes / No

If so do you have any food requests?

Do you have any food Allergies?

The Race

There are two ways of organising the racers, we can split the group up into say 3 groups and then give these groups a block of 4-6 hours each. Every 4-6 hours one group would swap with another group. Or we can do a rolling rota where every hour or so one person swaps with another slowly rotating everyone into a shift and out. You get to race with more people in a rota.

What is your race preference? Shifts / Rota / Not bothered

Sunday Night Accommodation:

Unfortunately we cannot stay at the track campsite for the last night so we have two choices for the Sunday night, majority vote decides.

1) Retire to a motel with proper showers, a lake and a nice restaurant. The hotel room costs approx £20 and sleeps three (one double bed and a bunk bed up high). The more people that share the cheaper it becomes for everyone.

If we hotel would you be prepared to share you room? Yes / No / Only the person below

Is they anyone you wish to share with i.e. partner/friend?

.....

2) Retire to another campsite. It will involve packing and unpacking our tents again however there is a pool, showers and a buffet laid on as most other British teams will be there.

Where do you wish to stay on Sunday night? Hotel / Campsite / I don't mind / N/A

Sunday Night Accommodation:

We will be having a meal at the nearby restaurant on the Sunday night. If we have any money left over we will put it to this meal. Please bring a little spending money for your trip and for this meal.
